

*Are you suffering from cancer? This prayer to St. Peregrine can give you hope! This is for those afflicted with this deadly disease:*

St Peregrine himself suffered from a cancerous sore on his leg and on his feet. Doctors decided upon amputation as treatment.

The night before the operation, Peregrine spent the night in prayer before a crucifix in a hospital chapel. He dreamt at one point there that Christ came down from the cross and healed his leg. When he woke up, he and his doctors, made the joyful discovery that he was completely cured. God had truly performed a miracle on this holy man!

Peregrine himself performed numerous miracles in his life. After his death in 1345, there were countless others, especially in Spain.

The Church attributed to him more than 300 cures of cancer and other illnesses from 1694 to 1726 in one city there alone!

*St. Peregrine, whom Holy Mother Church has declared Patron of those suffering from Cancer, I confidently turn to you for help in my present sickness. I beg your kind intercession. Ask God to relieve me of this sickness, if it be his Holy Will. Plead with the Blessed Virgin Mary, the Mother of Sorrows, whom you loved so tenderly and in union with whom you have suffered the pains of Cancer, that she may help me with her powerful prayers and loving consolation.*

*But if it should be God's Holy Will that I bear this sickness, obtain for me courage and strength to accept these trials from the loving hand of God with patience and resignation, because He knows what is best for the salvation of my soul. St. Peregrine, be my friend and patron. Help me to imitate you in accepting suffering, and to unite myself with Jesus Crucified and the Mother of Sorrows, as you did. I offer my pains to God with all the love of my heart, for his glory and the salvation of souls, especially my own.*

*Amen.*
